

craft markets australia

Few things are more enjoyable than browsing around the very best of Victoria's arts, craft and produce markets. The unique atmosphere, friendliness and Australian made quality are what makes our markets premier weekend shopping destinations.

Backed by 34 years of experience, CMA consistently strive to put old fashioned pleasure back into shopping. Everything sold at our markets has to be fresh, home made, good value and above all great quality.

Each one of our markets has a unique back drop.

Flemington provides an inner city experience guaranteed to stimulate your senses. In the Yarra Valley, picturesque Healesville is surrounded by the smokey blue hills of the ranges. Coastal Mornington boasts giant shady cypresses and manicured lawns to picnic on. Werribee sits proudly on the Great Western Plains, Red Hill is simply your classic country reserve and a day out at Lardner Park is a gateway to stunning Gippsland.

Whether you're looking for a really different birthday gift, something uniquely beautiful for the home or the freshest gourmet foods and produce, you'll love our markets...

so come relax and enjoy!
