craft markets australia

Few things are more enjoyable than browsing around the very best of Victoria's arts and craft, produce markets. The unique atmosphere, friendliness, and Australian made quality are what makes our markets premier weekend shopping destinations.

Backed by 36 years of experience, CMA consistently strives to put old fashioned pleasure back into shopping. Everything sold at our markets has to be fresh, home made and good value and above all great quality.

Each one of our markets has a unique back drop. Flemington provides an inner city experience guaranteed to stimulate your senses. In the Yarra Valley, picturesque Healesville is surrounded by the smokey blue hills of the ranges. Coastal Mornington boasts giant shady cypresses and manicured lawns to picnic on. Red Hill is simply a breath of fresh country air at a classic country reserve. Beautiful West Gippsland plays host to a lovely family day out at Lardner Park. West of Melbourne, enjoy the grand atmosphere of Werribee Park and further north you're guaranteed more than a picnic at the scenic Hanging Rock reserve in the majestic Macedon Ranges.

Whether you're looking for a really different birthday gift, something uniquely beautiful for the home or the freshest gourmet foods and produce, you'll love our markets.
